Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that any other subsequently filed document which also is incorporated or deemed to be incorporated by reference herein modifies or supersedes such statement. The Company is a Delaware corporation. Reference is made to Section 145 of the Delaware General Corporation Law, as amended which provides that a corporation may indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Section 145 further provides that a corporation similarly may indemnify any person who was or is a

party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action or suit if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Delaware Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite an adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnify for such expenses which the Court of Chancery or such other court shall deem proper. The Company's Certificate of Incorporation further provides that the Company shall indemnify its directors and officers to the full extent permitted by the law of the State of Delaware.

The Company's Certificate of Incorporation provides that the Company's Directors shall not be liable to the Company or its stockholders for monetary damages for breach of fiduciary duty as a director, except to the extent that exculpation from liability is not permitted under the Delaware General Corporation Law as in effect at the time such liability is determined.

ITEM 9. UNDERTAKINGS.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-3 or Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the

offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions of the Delaware General Corporation Law and the registrant's certificate of incorporation and by-laws, or otherwise, the registrant has been advised that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or a controlling

-4-

person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy, as expressed in the Act, and will be governed by the final adjudication of such issue.

Gentlemen/Ladies:

Reference is made to the registration statement on Form S-8 (the "Registration Statement") which North American Biologicals, Inc. (the "Company") is filing concurrently herewith with the Securities and Exchange Commission under the Securities Act of 1933, as amended, (the "Securities Act"), with respect to (i) 775,000 shares of the Company's Common Stock, \$0.10 par value (the "Common Stock"), issuable pursuant to the Company's 1990 Equity Incentive Plan as amended (the "1990 Plan"), (ii) 150,000 shares of the Company's Common Stock issuable pursuant to the Company's Stock Plan for Non-Employee Directors (the "Director Plan" and, together with the 1990 Plan, the "Plans"), and (iii) an indeterminate number of shares of such Common Stock which may be issued or become issuable under the Plans by reason of stock dividends, stock splits or other recapitalizations executed hereafter.

We have acted as legal counsel for the Company in connection with the amendment to the 1990 Plan and the adoption of the Director Plan, are familiar with the Company's Restated Certificate of Incorporation and By-Laws, both as amended to date, and have examined such other documents as we deemed necessary for this opinion. Based upon the foregoing, we are of the opinion that:

1. When issued and paid for in compliance with the terms of the Plans, the 925,000 shares of Common Stock referred to above will be duly and validly issued, fully paid and non-assessable; and

2. The additional shares of Common Stock which may become issuable under the Plans by reason of stock dividends, stock splits or other recapitalizations hereafter executed, if and when issued in accordance with the terms of the Plans and upon compliance with the applicable provisions of law and of the Company's Restated Certificate of Incorporation and By-Laws, both as amended to date, will be duly and validly issued, fully paid and non-assessable.

We understand that this opinion letter is to be used in connection with the Registration Statement and hereby consent to the filing of this opinion letter with and as a part of the Registration Statement and of any amendments thereto. It is understood that this opinion letter is to be used in connection with the offer and sale of the aforesaid shares only while the Registration Statement, as it may be amended from time to time as contemplated by Section 10(a)(3) of the Securities Act, is effective under the Securities Act.

Very truly yours,

/s/ Nutter, McClennen & Fish
