DANIEL P. HOULE AND CONCERNED VAXART STOCKHOLDERS

June 4, 2026

Dear Fellow Vaxart Stockholders:

Daniel P. Houle and the other participants named herein (collectively, the “Concerned Vaxart Stockholders” or “we”) are the beneficial owners of an aggregate of 1,515,343 shares of common stock, \$0.0001 par value per share (the “Common Stock”), of Vaxart, Inc., a Delaware corporation (“Vaxart” or the “Company”). For the reasons set forth in the attached Proxy Statement, we believe meaningful changes to the composition of the Board of Directors of the Company (the “Board”) are needed to ensure that the Company is being run in a manner consistent with your best interests. Accordingly, we are seeking your support for the election of our three (3) nominees as directors at the 2026 Annual Meeting of Stockholders scheduled to be held in a virtual-only format via live webcast on July 16, 2026 at 8:30 a.m. Pacific Time at <http://www.virtualshareholdermeeting.com/VXRT2026> (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”).

The Board is currently composed of six (6) directors, each of whose term expires at the Annual Meeting. Through the accompanying Proxy Statement and enclosed **GOLD** universal proxy card, we are soliciting proxies to elect not only our three (3) nominees, Daniel P. Houle, Mark Silverberg, DDS, MD, and Matthew M. Wallace, MD, but also three (3) of the Company’s nominees whose election we do not oppose. The Concerned Vaxart Stockholders and the Company will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to six (6) nominees on the Concerned Vaxart Stockholders’ enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for any combination of the Company’s nominees and our nominees may do so on the Concerned Vaxart Stockholders’ enclosed **GOLD** universal proxy card. **There is no need to use the Company’s white proxy card or voting instruction form, regardless of how you wish to vote.** We believe that voting on the **GOLD** universal proxy card provides the best opportunity for stockholders to elect all of the Concerned Vaxart Stockholders’ nominees and achieve the best Board composition overall. We therefore urge stockholders to use our **GOLD** universal proxy card to vote “FOR” our three (3) nominees.

We urge you to carefully consider the information contained in the attached Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** universal proxy card today. The attached Proxy Statement and the enclosed **GOLD** universal proxy card are first being mailed to stockholders on or about June 4, 2026.

If you have already voted for the incumbent management slate, you have every right to change your vote by signing, dating and returning a later dated **GOLD** universal proxy card or by voting at the Annual Meeting.

If you have any questions or require any assistance with your vote, please contact Saratoga Proxy Consulting LLC, which is assisting us, at its address and toll-free number listed on the following page.

Thank you for your support,

/s/ Daniel P. Houle

**ANNUAL MEETING OF STOCKHOLDERS
OF
VAXART, INC.**

**PROXY STATEMENT
OF
DANIEL P. HOULE AND CONCERNED VAXART STOCKHOLDERS**

PLEASE SIGN, DATE AND MAIL THE ENCLOSED GOLD UNIVERSAL PROXY CARD TODAY

Daniel P. Houle, Mark Silverberg, DDS, MD, Matthew M. Wallace, MD, Patrice Raffy, Q3 Nominees Pty Ltd (“Q3 Nominees”) and Marc Eustace Pereira (collectively, the “Concerned Vaxart Stockholders” or “we”) are meaningful stockholders of Vaxart, Inc., a Delaware corporation (“Vaxart” or the “Company”), who beneficially own an aggregate of 1,515,343 shares of common stock, \$0.0001 par value per share (the “Common Stock”), of the Company. We believe that the Board of Directors of the Company (the “Board”) must be meaningfully reconstituted to ensure that the Board takes the necessary steps for the Company’s stockholders to realize the maximum value of their investments. We have nominated directors who are committed to bringing a stockholder’s perspective to the boardroom and evaluating all opportunities to enhance stockholder value. At the Company’s 2026 annual meeting of stockholders scheduled to be held in a virtual-only format via live webcast on July 16, 2026 at 8:30 a.m. Pacific Time at <http://www.virtualshareholdermeeting.com/VXRT2026> (including any adjournments or postponements thereof and any meeting which may be called in lieu thereof, the “Annual Meeting”), stockholders will have an opportunity:

1. To elect the Concerned Vaxart Stockholders’ three (3) director nominees, Daniel P. Houle, Mark Silverberg, DDS, MD, and Matthew M. Wallace, MD (each, a “Concerned Vaxart Stockholder Nominee” and, together, the “Concerned Vaxart Stockholder Nominees”), to the Board to hold office until the 2027 Annual Meeting of Stockholders (the “2027 Annual Meeting”) or until their successors are duly elected and qualified;
2. To ratify the selection by the Company’s Audit Committee of WithumSmith+Brown, PC as the Company’s independent registered public accounting firm for the year ending December 31, 2026; and
3. To approve, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Company’s proxy statement.

The Company has disclosed that it will conduct any other business properly brought before the Annual Meeting.

This Proxy Statement and the enclosed **GOLD** universal proxy card are first being mailed to stockholders on or about June 4, 2026.

The Company has disclosed that the Annual Meeting will take place in a virtual meeting format only. Stockholders will not be able to attend the Annual Meeting in person. For further information on how to attend and vote virtually at the Annual Meeting and by proxy, please see the “VOTING AND PROXY PROCEDURES” and “VIRTUAL MEETING” sections of this Proxy Statement.

The Board is currently composed of six (6) directors, each with terms expiring at the Annual Meeting. Through this Proxy Statement and enclosed **GOLD** universal proxy card, we are soliciting proxies to elect not only the three (3) Concerned Vaxart Stockholder Nominees, but also three (3) of the Company's nominees whose election we do not oppose, James B. Breitmeyer, Kevin P. Finney and W. Mark Watson (the "Unopposed Company Nominees"). The Concerned Vaxart Stockholders and Vaxart will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to six (6) nominees on the Concerned Vaxart Stockholders' enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for three (3) Company nominees in addition to the Concerned Vaxart Stockholder Nominees may do so on the Concerned Vaxart Stockholders' **GOLD** universal proxy card. **There is no need to use the Company's white universal proxy card or voting instruction form, regardless of how you wish to vote.**

Your vote to elect the Concerned Vaxart Stockholder Nominees will have the legal effect of replacing three (3) incumbent directors. If elected, the Concerned Vaxart Stockholder Nominees, subject to their fiduciary duties as directors, will seek to work with the other members of the Board to position Vaxart to maximize stockholder value. If all three of the Concerned Vaxart Stockholder Nominees are elected, they will constitute 50% of the members of the Board. There is no assurance that any of the Company's nominees will serve as directors if all or some of the Concerned Vaxart Stockholder Nominees are elected. If fewer than three (3) of the Concerned Vaxart Stockholder Nominees are elected, they will comprise a minority of the members of the Board and there can be no guarantee that the Concerned Vaxart Stockholder Nominees will be able to implement the actions that they believe are necessary to unlock stockholder value. We believe the election of the Concerned Vaxart Stockholder Nominees is an important step in the right direction for maximizing value at the Company.

Stockholders are permitted to vote for fewer than six (6) nominees or for any combination (up to six (6) total) of the Concerned Vaxart Stockholder Nominees and the Company's nominees on the enclosed **GOLD** universal proxy card. However, if stockholders choose to vote for any of the Company's nominees, we recommend that stockholders vote in favor of only the Company nominees who we believe are the most qualified to serve as directors – the Unopposed Company Nominees – to help achieve a Board composition that we believe is in the best interest of all stockholders. We recommend that stockholders do not vote for any of the Company's nominees other than the Unopposed Company Nominees. Among other potential consequences, voting for Company nominees other than the Unopposed Company Nominees may result in the failure of one or all of the Concerned Vaxart Stockholder Nominees to be elected to the Board. The Concerned Vaxart Stockholders urge stockholders using our **GOLD** universal proxy card to vote "**FOR**" all of the Concerned Vaxart Stockholder Nominees and "**FOR**" the Unopposed Company Nominees.

IF YOU MARK FEWER THAN SIX (6) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, OUR GOLD UNIVERSAL PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED ONLY AS DIRECTED. IF NO DIRECTION IS INDICATED WITH RESPECT TO HOW YOU WISH TO VOTE YOUR SHARES, THE PROXIES NAMED THEREIN WILL VOTE SUCH SHARES "FOR" THE THREE (3) CONCERNED VAXART STOCKHOLDER NOMINEES AND THE THREE (3) UNOPPOSED COMPANY NOMINEES. IMPORTANTLY, IF YOU MARK MORE THAN SIX (6) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.

As of the date hereof, the participants in this solicitation collectively own 1,515,343 shares of Common Stock (the “Concerned Vaxart Stockholder Group Shares”). We intend to vote the Concerned Vaxart Stockholder Group Shares “**FOR**” the election of the Concerned Vaxart Stockholder Nominees and the Unopposed Company Nominees, “**FOR**” the ratification of the selection by the Company’s Audit Committee of WithumSmith+Brown, PC as the Company’s independent registered public accounting firm for the year ending December 31, 2026, and “**AGAINST**” the approval of the advisory non-binding vote on the compensation of the Company’s named executive officers.

While we currently intend to vote all of the Concerned Vaxart Stockholder Group Shares in favor of the election of each of the Concerned Vaxart Stockholder Nominees and the Unopposed Company Nominees, we reserve the right to vote some or all of the Concerned Vaxart Stockholder Group Shares as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Concerned Vaxart Stockholder Group Shares in a different manner than what we are otherwise recommending in the event it were to become apparent to us, based on the projected voting results at such time, that less than all of the Concerned Vaxart Stockholder Nominees would be elected at the Annual Meeting and that by voting the Concerned Vaxart Stockholder Group Shares in a different manner we could help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand that all shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted at the Annual Meeting as marked.

The Company has set the close of business on May 26, 2026 as the record date for determining stockholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”). The mailing address of the principal executive offices of the Company is 170 Harbor Way, Suite 300, South San Francisco, California 94080. Stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting. According to the Company, as of the Record Date, there were 242,044,838 shares of Common Stock outstanding and entitled to vote at the Annual Meeting.

We urge you to carefully consider the information contained in this Proxy Statement and then support our efforts by signing, dating and returning the enclosed **GOLD** universal proxy card today.

THIS SOLICITATION IS BEING MADE BY THE CONCERNED VAXART STOCKHOLDERS AND NOT ON BEHALF OF THE BOARD OR MANAGEMENT OF THE COMPANY. WE ARE NOT AWARE OF ANY OTHER MATTERS TO BE BROUGHT BEFORE THE ANNUAL MEETING OTHER THAN AS SET FORTH IN THIS PROXY STATEMENT. SHOULD OTHER MATTERS, WHICH THE CONCERNED VAXART STOCKHOLDERS ARE NOT AWARE OF A REASONABLE TIME BEFORE THIS SOLICITATION, BE BROUGHT BEFORE THE ANNUAL MEETING, THE PERSONS NAMED AS PROXIES IN THE ENCLOSED **GOLD** UNIVERSAL PROXY CARD WILL VOTE ON SUCH MATTERS IN THEIR DISCRETION.

THE CONCERNED VAXART STOCKHOLDERS URGE YOU TO VOTE “**FOR**” THE CONCERNED VAXART STOCKHOLDER NOMINEES BY FOLLOWING THE INSTRUCTIONS ON THE ENCLOSED **GOLD** UNIVERSAL PROXY CARD TODAY. PLEASE SIGN, DATE AND RETURN THE **GOLD** UNIVERSAL PROXY CARD VOTING “**FOR**” THE ELECTION OF THE CONCERNED VAXART STOCKHOLDER NOMINEES.

IF YOU HAVE ALREADY SENT A UNIVERSAL PROXY CARD FURNISHED BY COMPANY MANAGEMENT OR THE BOARD, YOU MAY REVOKE THAT PROXY AND VOTE ON EACH OF THE PROPOSALS DESCRIBED IN THIS PROXY STATEMENT BY SIGNING, DATING AND RETURNING THE ENCLOSED **GOLD** UNIVERSAL PROXY CARD. THE LATEST DATED PROXY IS THE ONLY ONE THAT WILL BE COUNTED. ANY PROXY MAY BE REVOKED AT ANY TIME PRIOR TO THE ANNUAL MEETING BY DELIVERING A WRITTEN NOTICE OF REVOCATION OR A LATER DATED PROXY FOR THE ANNUAL MEETING OR BY VOTING VIRTUALLY AT THE ANNUAL MEETING.

Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting—This Proxy Statement and our GOLD universal proxy card are available at

As a beneficial owner, if you wish to vote, you must instruct your broker, trustee or other representative how to vote. Your broker cannot vote your shares of Common Stock on your behalf without your instructions.

Please refer to the enclosed **GOLD** voting instruction form for instructions on how to vote electronically. - You may vote your shares virtually at the Annual Meeting. Even if you plan to attend the Annual Meeting virtually, we recommend that you submit your **GOLD** universal proxy card by mail by the applicable deadline so that your vote will be counted if you later decide not to attend the Annual Meeting.

As the Concerned Vaxart Stockholders are using a "universal" proxy card containing all of the Concerned Vaxart Stockholder Nominees as well as the Company's nominees, there is no need to use any other proxy card regardless of how you intend to vote. The Concerned Vaxart Stockholders **strongly urge you NOT to sign or return any white proxy cards or voting instruction forms that you may receive from Vaxart**. Even if you return the white management proxy card marked "withhold" as a protest against the incumbent directors, it will revoke any proxy card you may have previously sent to us.

Background to the Solicitation

The following is a chronology of material events leading up to this proxy solicitation:

- On June 13, 2024, the Company received a project award valued at up to \$453 million through the Rapid Response Partnership Vehicle (RRPV), a Consortium funded by the Biomedical Advanced Research and Development Authority (BARDA), part of the Administration for Strategic Preparedness and Response (ASPR) in the U.S. Department of Health and Human Services (HHS), to conduct a Phase 2b comparative study evaluating Vaxart's oral pill COVID-19 vaccine candidate against a U.S. Food and Drug Administration (FDA)-approved mRNA vaccine comparator (the "BARDA Award").
- On June 13, 2024, at 4:00pm ET, Vaxart's Common Stock closed at \$0.75 per share.
- On June 13, 2024, at 4:15pm ET, the Company issued a press release announcing the BARDA Award and disclosing that \$65.7 million of the award is available immediately, and the remainder of approximately \$387.2 million will be provided when Vaxart and BARDA have determined that the study may further proceed and will be paid over the course of the study.
- Later on June 13, 2024, at 7:07pm ET, the Company issued a press release announcing an underwritten offering of 50,000,000 shares of Common Stock at a price of \$0.80 per share, expected to close on or about June 17, 2024 (the "Share Offering").
- On June 17, 2024, the Company filed a prospectus supplement in connection with the Share Offering.
- Also on June 17, 2024, the Company issued a press release in connection with the Share Offering and the BARDA Award in which the Company noted that it received one of the largest awards to date.
- In November 2024, FBI agents approached director Robert A. Yedid as part of an insider trading investigation, pursuant to which Mr. Yedid allegedly participated in a scheme from 2019 – 2024 to provide friends with inside information about several health care company clients of the investor relations firm where Mr. Yedid was employed. To the knowledge of the Concerned Vaxart Stockholders, none of such allegations were related to the Company or trading of the Company's securities.
- On December 31, 2024, the Company disclosed that it had received notice from The Nasdaq Stock Market ("Nasdaq") that the Company was not in compliance with the \$1.00 minimum bid price requirement for continued listing on Nasdaq. The Company was granted an additional 180-day compliance period to regain compliance.
- On January 28, 2025, the Company announced that Mr. Yedid resigned from the Board for personal reasons and issued a press release that thanked Mr. Yedid "for his years of service and contributions to our Company."
- On April 10, 2025, the Company filed a definitive proxy statement (the "2025 Proxy Statement") in connection with the Company's 2025 Annual Meeting of Stockholders (the "2025 Annual Meeting") scheduled to be held on May 21, 2025, which included a proposal to adopt and approve an amendment to the Company's Restated Certificate of Incorporation (the "Charter") to effect a reverse stock split by a ratio of not less than 1-for-5 and not more than 1-for-50 as determined by the Board (the "Initial Reverse Stock Split Proposal").
- On May 16, 2025, the Company filed a supplement to the 2025 Proxy Statement in which it announced that the Board approved resolutions to narrow the proposed reverse split range of the Initial Reverse Stock Split Proposal to a maximum ratio of 1-for-20, and disclosed that the authorized number of shares of Common Stock would be proportionally reduced in line with the ratio of the reverse stock split to be approved by stockholders at a future special meeting of stockholders.
- On May 21, 2025, the Company convened the 2025 Annual Meeting. Although a quorum of stockholders was present, the Board adjourned the 2025 Annual Meeting to purportedly give stockholders additional time within which to vote on the proposals, including the Initial Reverse Stock Split Proposal, and scheduled the 2025 Annual Meeting to reconvene on June 2, 2025.
- On May 29, 2025, the Company issued a preliminary proxy statement in connection with a special meeting of stockholders scheduled to be held on June 30, 2025, in which the Board requested that stockholders adopt and approve an amendment to the Charter to effect a reduction in the authorized shares of Common Stock in a proportion equal to that of the associated Initial Reverse Stock Split Proposal.
- On June 2, 2025, the Company reconvened the 2025 Annual Meeting. Although a quorum of stockholders was present, the Board once again adjourned the 2025 Annual Meeting to give stockholders additional time to vote and to allow for the Board to solicit additional votes in favor of the Initial Reverse Stock Split Proposal because there were insufficient votes to approve such proposal. The Board scheduled the reconvened 2025 Annual Meeting to be held on June 13, 2025.
- On June 6, 2025, Mr. Yedid pled guilty to the alleged insider trading scheme.
- On June 13, 2025, the Company held the 2025 Annual Meeting, where stockholders emphatically rejected the Initial Reverse Stock Split Proposal with a clear majority of 59.1% voting "AGAINST" such proposal. Further, stockholders opposed the election of four of the six directors on the Board (including then-Chairman Michael Finney), with such directors failing to receive a majority of votes cast in favor of their election, and stockholders also overwhelmingly voted against approval of the advisory vote on the compensation of the Company's named executive officers. Nevertheless, given the fact that the voting standard applicable to the election of directors at the 2025 Annual Meeting was a plurality of the votes cast, the full Board remained in place despite four members failing to receive the support of a majority of the votes cast.
- On July 1, 2025, the Company received a written notification from the Listing Qualifications Department of Nasdaq of its determination to delist the Common Stock as a result of the Company's ongoing failure to comply with the minimum bid price requirement for continued listing on Nasdaq.

- On July 24, 2025, despite stockholders overwhelmingly rejecting the Initial Reverse Stock Split Proposal, the Company filed a preliminary proxy statement in connection with a special meeting of stockholders scheduled to be held on September 5, 2025 (the “Special Meeting”), which included another proposal to adopt and approve an amendment to the Charter to effect a reverse stock split by a ratio of not less than 1-for-5 and not more than 1-for-20 as determined by the Board (the “Additional Reverse Stock Split Proposal”), and to decrease the number of authorized shares of Common Stock in a proportion equal to that of the associated reverse stock split upon its approval.
- On August 6, 2025, the Company filed a definitive proxy statement in connection with the Special Meeting in which it disclosed additional information with regards to the Additional Reverse Stock Split Proposal and related matters.
- On August 13, 2025, the Concerned Vaxart Stockholders and several other stockholders of the Company (collectively, the “Initial Stockholder Group”) sent the Company a demand pursuant to Section 220 of the Delaware General Corporation Law to inspect certain stockholder list materials and related information in connection with the Special Meeting (the “Initial Stockholder List Demand”).
- On August 20, 2025, the Company’s legal counsel responded to the Initial Stockholder List Demand.
- On August 21, 2025, the Initial Stockholder Group issued a press release announcing its opposition to the Additional Reverse Stock Split Proposal, urging stockholders to vote against such proposal and calling for the Board to be held accountable for its disregard for the will of stockholders by continuing to push for a reverse stock split after stockholders overwhelmingly opposed the Initial Reverse Stock Split Proposal at the 2025 Annual Meeting.
- On August 22, 2025, the Company’s legal counsel conveyed to the Concerned Vaxart Stockholders’ legal counsel that members of the Company’s management team would like to meet with members of the Initial Stockholder Group regarding the Additional Reverse Stock Split Proposal and related matters. The Initial Stockholder Group agreed to meet with members of the Company’s management team to listen to the Company’s position regarding such matters.
- On August 26, 2025, the Company produced materials in response to the Initial Stockholder List Demand.
- On August 28, 2025, certain members of the Initial Stockholder Group had a call with members of the Company’s management team, including Chief Executive Officer, President and director Steven Lo, Senior Vice President and Chief Scientific Officer Sean Tucker and Senior Vice President and General Counsel Edward Berg. The parties discussed the Company generally and certain of the Initial Stockholder Group’s concerns and opposition to the Additional Reverse Stock Split Proposal.
- On August 29, 2025, the Company issued a press release in which it stated that Nasdaq had granted a compliance extension to the Company in order to remain listed on Nasdaq contingent upon the satisfaction of three conditions: (i) stockholder approval of the reverse stock split by September 5, 2025, (ii) completion of the reverse stock split by October 6, 2025 and (iii) regaining compliance with the \$1.00 minimum bid price requirement by October 17, 2025.

- On September 2, 2025, the Initial Stockholder Group issued a press release in which it urged fellow stockholders to vote “AGAINST” the Additional Reverse Stock Split Proposal, and highlighted that management was attempting to push a reverse stock split through for a second time despite prior overwhelming stockholder opposition at the 2025 Annual Meeting. The Initial Stockholder Group also expressed its concerns that a reverse stock split would only reduce liquidity, increase volatility and potentially mask deeper structural issues at the Company.
- Also on September 2, 2025, the Company issued a press release announcing that Chairman Finney provided notice of his retirement from the Board, including as Chair of the Board, effective September 30, 2025. The Board also announced that the size of the Board would be reduced from six to five members, effective upon the retirement of Chairman Finney.
- On September 8, 2025, the Company announced that although a quorum of stockholders was present on September 5, 2025, the Special Meeting would be adjourned to September 19, 2025, in order to provide stockholders with additional time to consider and vote on the Additional Reverse Stock Split Proposal and due to additional governance changes as well as other potential disclosures which the Board claimed to be considering.
- On September 10, 2025, the Initial Stockholder Group issued a press release in which it condemned the Board’s decision to adjourn the Special Meeting and demanded transparency on any voting results from the Special Meeting. The Initial Stockholder Group also questioned the Board’s repeated delay tactics given the fact that the Board had previously disclosed that a reverse stock split had to be approved by September 5, 2025 in order for the Company to comply with Nasdaq’s purported requirements for the Company to remain listed, and called for the Board to reveal Nasdaq’s true conditions for relisting. Further, the Initial Stockholder Group called for the Board to reveal any additional governance changes to be implemented at the Company instead of teasing potential further announcements seemingly in the hope of swaying additional support for the Additional Reverse Stock Split Proposal.
- On September 17, 2025, the Company issued a press release in which it announced its appointment of W. Mark Watson as Lead Independent Director of the Board as well as the Company’s intent to adopt a stock ownership policy for directors.
- On September 18, 2025, the Initial Stockholder Group issued a press release in response to the Company’s appointment of Mr. Watson as Lead Independent Director as well as the Company’s intent to adopt a stock ownership policy for directors. In particular, the Initial Stockholder Group expressed its belief that the elevation of Mr. Watson, who received only 56% of the votes cast at the 2025 Annual Meeting, to a leadership position would not deliver sufficient change to address stockholder concerns. Further, the Initial Stockholder Group expressed its belief that although the adoption of a director stock ownership policy was a long-overdue step in the right direction, it failed to deliver meaningful change that stockholders deserved. The Initial Stockholder Group urged all stockholders to continue voting “AGAINST” the Additional Reverse Stock Split Proposal and called on the Company to engage in genuine dialogue with stockholders, implement reforms that reflect stockholder priorities and restore credibility through meaningful action rather than optics.
- Later on September 18, 2025, the Company filed a current report on Form 8-K disclosing that the Board determined to withdraw the Additional Reverse Stock Split Proposal from stockholder consideration after the Company did not obtain requisite votes for the proposal and that it would not reconvene the adjourned Special Meeting.
- On September 19, 2025, the Company filed a current report on Form 8-K disclosing that it received a letter from Nasdaq stating that the Company’s securities would be delisted from Nasdaq as a result of the Company’s noncompliance with the applicable conditions to remain listed on Nasdaq.

- On September 30, 2025, the Concerned Vaxart Stockholders' legal counsel informed the Company's legal counsel that the Initial Stockholder Group was pleased that the Company had withdrawn the Additional Reverse Stock Split Proposal, but expressed the Initial Stockholder Group's view that additional governance changes and accountability were required at Vaxart. The Concerned Vaxart Stockholders' legal counsel also indicated to the Company's legal counsel that members of the Initial Stockholder Group were considering nominating director candidates for election to the Board at the Annual Meeting.
- On December 12, 2025, the Company's legal counsel, on behalf of the Company, reached out to the Concerned Vaxart Stockholders' legal counsel to propose a call between such parties in order to discuss the Initial Stockholder Group's views with regards to the Company.
- On December 16, 2025, the Company's legal counsel called the Concerned Vaxart Stockholders' legal counsel and offered a meeting between Vaxart's leadership team and the Initial Stockholder Group. The parties scheduled a call for December 19, 2025.
- On December 17 and 18, 2025, the Company's legal counsel and the Concerned Vaxart Stockholders' legal counsel corresponded regarding the agenda for the upcoming meeting. The Concerned Vaxart Stockholders' legal counsel made clear that from the Initial Stockholder Group's perspective, the Company must come prepared to present concrete steps regarding improvements to governance, Board composition and accountability for the proposed meeting to be worthwhile, and that absent that, the Initial Stockholder Group would pass on having the call. The Company's legal counsel confirmed that the Company would like to proceed with the call armed with that knowledge.
- On December 19, 2025, certain members of the Initial Stockholder Group had a call with members of the Company's management team, including Messrs. Lo and Berg and Dr. Tucker. Despite the clear instructions in advance of the call, the Company failed to present any concrete steps regarding improvements to governance, Board composition or accountability. The Initial Stockholder Group reiterated its view that additional governance changes are required and there needs to be accountability and reform at Vaxart.
- On February 2, 2026, the Concerned Vaxart Stockholders' legal counsel submitted a request to the Company's legal counsel on behalf of the Concerned Vaxart Stockholders for the Company to provide an electronic copy of the Company's form of questionnaire in accordance with the Company's Amended and Restated Bylaws (the "Bylaws"). The Company's legal counsel promptly provided the questionnaire on the following day.

REASONS FOR THE SOLICITATION

The Concerned Vaxart Stockholders are a group of dedicated retail investors who collectively own 1,515,343 shares of Common Stock. We believe that management and the Board have a track record of value destruction and blatantly disregarding the will of stockholders. Based on the voting results from the 2025 Annual Meeting and the failed Special Meeting abandoned due to a lack of stockholder support for the Additional Reverse Stock Split Proposal, we understand that many other stockholders share our significant concerns regarding the trajectory of the Company under the current leadership team. In an effort to protect the Company and stockholders from further value destruction and to ensure that retail investors are properly represented in the boardroom, we believe Board change is necessary. The following sets forth our primary concerns and supports why we believe change on the Board is critical:

- Track record of value destruction:** Over the past five years, the Company's share price has declined over 91%¹ and the Company has accumulated losses of approximately \$343 million since 2020.² Moreover, measured from the unaffected date on August 20, 2025, the last day prior to when members of the Concerned Vaxart Stockholders first issued a press release in opposition to the Additional Reverse Stock Split Proposal and demanded boardroom accountability, Vaxart has underperformed on an absolute and relative basis as follows:

Total Shareholder Returns				
	1-Year	3-Year	5-Year	10-Year
Vaxart	-58.5%	-90.1%	-95.9%	-98.5%
S&P Biotechnology Select Industry Index	-11.3%	3.0%	-20.0%	25.8%
Vaxart Underperformance vs. S&P Biotechnology Select Industry Index	-47.2%	-93.1%	-75.9%	-124.3%
Russell 2000 Index	7.4%	21.2%	55.1%	122.1%
Vaxart Underperformance vs. Russell 2000 Index	-65.9%	-111.3%	-151.0%	-220.6%

- Disregarding stockholder interests:** The Board's complete disregard for stockholder input was exemplified by its multiple attempts to force a reverse stock split upon stockholders. After originally proposing a reverse stock split at the 2025 Annual Meeting, and adjourning the 2025 Annual Meeting on several occasions in an attempt to overcome stockholder resistance, stockholders emphatically rejected the Initial Reverse Stock Split Proposal with a clear majority of 59.1% voting "AGAINST" such proposal. Further illustrating stockholder disapproval of the Board, stockholders also opposed the election of four of the six directors on the Board, including then-Chairman Michael Finney, with such directors failing to receive a majority of votes cast. Due to the fact that the voting standard applicable to the election of directors at the 2025 Annual Meeting was a plurality of the votes cast, the full Board remained in place despite the strong stockholder opposition to four members' re-election. The Board also continued to attempt to force a reverse stock split upon stockholders by filing a proxy statement for the Special Meeting in support of the Additional Reverse Stock Split Proposal despite the fact that the Initial Reverse Stock Split Proposal was already defeated by stockholders at the 2025 Annual Meeting just over a month before. Once again, after encountering significant stockholder resistance, including several press releases issued by members of the Concerned Vaxart Stockholders, the Board adjourned the Special Meeting before finally withdrawing the Additional Reverse Stock Split Proposal. Most recently, despite our nomination of the Concerned Vaxart Stockholder Nominees, the Board unilaterally appointed a new director without stockholder input, or even taking the time to interview any of the Concerned Vaxart Stockholder Nominees. We believe that meaningful change to the composition of the Board is necessary to ensure that stockholders – the true owners of Vaxart – have a voice in the boardroom.

- **Representation for retail investors:** Vaxart is predominantly owned by retail investors. The Concerned Vaxart Stockholder Nominees are just like most Vaxart stockholders – retail investors who believe in the promise of Vaxart. If elected, the Concerned Vaxart Stockholder Nominees will serve as a much-needed voice for retail investors who have been ignored by the Board for far too long. The Concerned Vaxart Stockholders, including the Concerned Vaxart Stockholder Nominees, have already proven their loyalty to the interests of retail investors through our successful efforts to prevent the Board from passing two reverse stock split proposals which we believe would have reduced liquidity, increased volatility and potentially masked deeper structural issues at the Company. We have committed significant time and invested our own resources to carry out this solicitation based upon our belief that the Concerned Vaxart Stockholder Nominees are the best candidates to ensure that stockholders’ interests are appropriately represented in the boardroom.
- **A better path forward:** In light of the issues we have summarized herein and our unsuccessful attempts at engaging constructively with the Board, we have nominated the Concerned Vaxart Stockholder Nominees in an effort to elect directors who will prioritize the best interests of stockholders and work tirelessly to evaluate all opportunities to enhance stockholder value. The Concerned Vaxart Stockholder Nominees are retail investors who believe that under the right leadership, Vaxart can become one of the leading biotechnology companies in the marketplace. It is time for retail investors to unite, demand accountability and ensure that our voices are heard inside of the boardroom by electing the Concerned Vaxart Stockholder Nominees to the Board. We are seeking your support at the Annual Meeting to elect our three (3) Concerned Vaxart Stockholder Nominees, Daniel P. Houle, Mark Silverberg, DDS, MD, and Matthew M. There is no assurance that any incumbent director will serve as a director if one or more of the Concerned Vaxart Stockholder Nominees are elected to the Board. You should refer to the Company's proxy statement for the names, backgrounds, qualifications and other information concerning the Company's nominees.

None of the Concerned Vaxart Stockholder Nominees is a party adverse to the Company or any of its subsidiaries or has a material interest adverse to the Company or any of its subsidiaries in any material pending legal proceeding.

If the Concerned Vaxart Stockholders are successful in obtaining stockholder approval for the election of all three (3) Concerned Vaxart Stockholder Nominees at the Annual Meeting, then a change of control of the Board may be deemed to have occurred under certain of the Company's material contracts. Based on a review of the Company's material contracts and agreements, as publicly filed, such a change of control may trigger certain change of control provisions or payments contained therein as further described below.

Pursuant to the Company's 2016 Equity Incentive Plan (the "2016 Equity Incentive Plan"), a "change of control" may be deemed to have occurred if, among other things, during any 24-month period, a change in the composition of the Board occurs such that the individuals who constitute the Board cease to constitute a majority of the Board; provided, however, that if the election, or nomination for election by the Company's stockholders, of any new director was approved by a vote of at least a majority of the incumbent Board, such new director shall be considered as a member of the incumbent Board, and provided further that any reductions in the size of the Board that are instituted voluntarily by the incumbent Board shall not constitute a change of control. The 2016 Equity Incentive Plan contains a "double-trigger" accelerated vesting provision for unvested Awards (as defined in the 2016 Equity Incentive Plan) granted thereunder. Pursuant to the 2016 Equity Incentive Plan, unless provided otherwise in an Award agreement, or an effective employment, consulting, severance or similar agreement with the Company or a subsidiary, or as otherwise may be determined by the Compensation Committee prior to a change of control, in the event that Awards under the 2016 Equity Incentive Plan are assumed in connection with a change of control or substituted with new awards, and a participant's employment or other service with the Company and its subsidiaries is terminated by the Company without cause or due to disability, as the result of the participant's death or by the participant for good reason, in any case, within 24 months following a change of control, (i) the unvested portion of such participant's Awards (including without limitation any awards received in substitution of an Award) will vest in full (with any applicable performance goals being deemed to have been achieved at target or, if greater, actual levels of performance), (ii) Awards of options and SARs (including without limitation options and stock or share appreciation rights received in substitution of an Award) will remain exercisable by the participant or the participant's beneficiary or legal representative, as the case may be, for a period of one-year thereafter (but not beyond the stated term of the option or SAR), (iii) all RSUs and PSUs (including without limitation RSUs and PSUs received in substitution of an Award) shall be settled within 30 days after such termination and (iv) all Other Stock-Based Awards (as defined in the 2016 Equity Incentive Plan) (including without limitation any received in substitution of an Award) shall be settled within 30 days after such termination, subject to certain exceptions.

Pursuant to the Company's Director Stock Option Agreement (the "Stock Option Agreement"), a change of control may be deemed to have occurred under the same terms set forth in the 2016 Equity Incentive Plan.

Pursuant to the Company's Form of Indemnification Agreement (the "Indemnification Agreement") by and between the Company and its directors and executive officers, a "change in control" may be deemed to have occurred if, among other things, during any period of 2 consecutive years, individuals who at the beginning of such period constitute the Board, and any new director (other than a director designated by a person who has entered into an agreement with the Company to effect a transaction described in the Indemnification Agreement) whose election by the Board or nomination for election by the Company's stockholders was approved by a vote of at least two-thirds of the directors then still in office who either were directors at the beginning of the period or whose election or nomination for election was previously so approved, cease for any reason to constitute at least a majority of the members of the Board.

Pursuant to the Company's Severance Benefit Plan (the "Severance Plan"), a "change in control" may be deemed to have occurred under the same terms set forth in the 2016 Equity Incentive Plan. Subject to the execution (and non-revocation) of a Release (as defined in the Severance Plan), upon a Change in Control Termination (as defined in the Severance Plan), a participant will receive as severance an amount equal to the participant's Severance Base Pay (as defined in the Severance Plan).

Pursuant to the Company's 2019 Equity Incentive Plan (the "2019 Equity Incentive Plan"), a "change of control" may be deemed to have occurred if, among other things, individuals who, on the date the 2019 Equity Incentive Plan is adopted by the Board, are members of the Board cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the incumbent Board then still in office, such new member will, for purposes of the 2019 Equity Incentive Plan, be considered as a member of the incumbent Board.

Pursuant to the Company's 2024 Inducement Award Plan (the "Inducement Award Plan"), a "change of control" may be deemed to have occurred if, among other things, individuals who, on the date the Inducement Award Plan was adopted by the Board, are members of the Board cease for any reason to constitute at least a majority of the members of the Board; provided, however, that if the appointment or election (or nomination for election) of any new Board member was approved or recommended by a majority vote of the members of the incumbent Board then still in office, such new member will, for purposes of the Inducement Award Plan, be considered as a member of the incumbent Board.

We do not expect that the Concerned Vaxart Stockholder Nominees will be unable to stand for election, but, in the event any Concerned Vaxart Stockholder Nominee is unable to serve or for good cause will not serve, the shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted for substitute nominee(s), to the extent this is not prohibited under the Bylaws and applicable law. In addition, we reserve the right to nominate substitute person(s) if the Company makes or announces any changes to the Bylaws or takes or announces any other action that has, or if consummated would have, the effect of disqualifying any Concerned Vaxart Stockholder Nominee, to the extent this is not prohibited under the Bylaws and applicable law. In any such case, we would identify and properly nominate such substitute nominee(s) in accordance with the Bylaws and the shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted for such substitute nominee(s). We reserve the right to nominate additional person(s), to the extent this is not prohibited under the Bylaws and applicable law, if the Company increases the size of the Board above its existing size.

The Concerned Vaxart Stockholders and Vaxart will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders are permitted to vote for less than six (6) nominees or for any combination (up to six (6) total) of the Concerned Vaxart Stockholder Nominees and the Company's nominees on the **GOLD** universal proxy card. If stockholders choose to vote for any of the Company's nominees, we recommend that stockholders vote in favor of the Unopposed Company Nominees, who we believe are sufficiently qualified to serve as directors, to help achieve a Board composition that we believe is in the best interest of all stockholders. **There is no need to use the Company's white proxy card or voting instruction form, regardless of how you wish to vote.** The Concerned Vaxart Stockholders urge stockholders to vote using our **GOLD** universal proxy card "**FOR**" all of the Concerned Vaxart Stockholder Nominees and "**FOR**" the Unopposed Company Nominees.

The Company nominees that the Concerned Vaxart Stockholders do not oppose and believe are sufficiently qualified to serve as directors with the Concerned Vaxart Stockholder Nominees are the Unopposed Company Nominees. Certain information about the Unopposed Company Nominees is set forth in the Company's proxy statement. The Concerned Vaxart Stockholders are not responsible for the accuracy of any information provided by or relating to Vaxart or its nominees contained in any proxy solicitation materials filed or disseminated by, or on behalf of, Vaxart or any other statements that Vaxart or its representatives have made or may otherwise make.

IF YOU MARK FEWER THAN SIX (6) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, OUR GOLD UNIVERSAL PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED ONLY AS DIRECTED. IF NO DIRECTION IS INDICATED WITH RESPECT TO HOW YOU WISH TO VOTE YOUR SHARES, THE PROXIES NAMED THEREIN WILL VOTE SUCH SHARES "FOR" THE THREE (3) CONCERNED VAXART STOCKHOLDER NOMINEES AND THE THREE (3) UNOPPOSED COMPANY NOMINEES. IMPORTANTLY, IF YOU MARK MORE THAN SIX (6) "FOR" BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.

WE STRONGLY URGE YOU TO VOTE "FOR" THE ELECTION OF THE CONCERNED VAXART STOCKHOLDER NOMINEES ON THE ENCLOSED GOLD UNIVERSAL PROXY CARD.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

As discussed in further detail in the Company's proxy statement, the Audit Committee of the Board has selected WithumSmith+Brown, PC as the Company's independent registered public accounting firm for the year ending December 31, 2026 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting.

According to the Company's proxy statement, neither the Bylaws nor other governing documents or law require stockholder ratification of the selection of WithumSmith+Brown, PC as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the selection of WithumSmith+Brown, PC to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. As disclosed in the Company's proxy statement, even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The Company has disclosed that to ratify the selection of WithumSmith+Brown, PC as the Company's independent registered public accounting firm for the year ending December 31, 2026, the proposal must be approved by a majority of the votes properly cast for or against such proposal. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

WE MAKE NO RECOMMENDATION WITH RESPECT TO THE RATIFICATION OF THE SELECTION OF WITHUMSMITH+BROWN, PC AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM, AND INTEND TO VOTE OUR SHARES "FOR" THIS PROPOSAL.

PROPOSAL NO. 3

**TO APPROVE, ON A NON-BINDING, ADVISORY BASIS, THE COMPENSATION
OF THE COMPANY'S NAMED EXECUTIVE OFFICERS**

As discussed in further detail in the Company's proxy statement, in accordance with Section 14A under the Exchange Act, the Board is asking stockholders to vote on a non-binding advisory basis, commonly referred to as "say-on-pay," to approve the compensation paid to the Company's named executive officers as disclosed in the compensation tables and the related narrative disclosure contained in the Company's proxy statement. The Company's proxy statement provides that the Board has adopted, consistent with the stockholders' vote on the matter in 2023, a policy of providing for annual "say-on-pay" votes until the next vote on the frequency of such advisory votes, which is currently expected to occur at the 2029 annual meeting of stockholders. According to the Company's proxy statement, this "say-on-pay" vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's named executive officers and the philosophy, policies, and practices described in the Company's proxy statement.

According to the Company's proxy statement, this non-binding, advisory proposal is not binding on the Board or the Company. The Company's proxy statement provides that the views expressed by the stockholders, whether through this vote or otherwise, are important to management and the Board and, accordingly, the Board and the Compensation Committee intend to consider the results of this vote in making determinations in the future regarding named executive officer compensation arrangements.

Accordingly, the Board recommends that stockholders adopt the following resolution:

"RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the Executive Compensation section, the tabular disclosure regarding such compensation, and the accompanying narrative disclosure and related material, set forth in the Company's definitive proxy statement for the Annual Meeting, is hereby **APPROVED**."

Due to the Company's significant underperformance and the immense destruction of stockholder value overseen by the current leadership team over the past several years, as more fully explained in the "Reasons for the Solicitation" section above, we do not believe that pay and performance are adequately aligned. Accordingly, we intend to vote **AGAINST** this proposal and recommend that our fellow stockholders do the same.

According to the Company's proxy statement, to approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement, the proposal must be approved by a majority of the votes properly cast for or against such proposal. Abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

**WE RECOMMEND THAT STOCKHOLDERS VOTE "AGAINST" THE ADVISORY NON-BINDING VOTE TO APPROVE THE
COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS AND INTEND TO VOTE OUR SHARES "AGAINST" THIS
PROPOSAL.**

VOTING AND PROXY PROCEDURES

Only stockholders of record on the Record Date will be entitled to notice of and to vote at the Annual Meeting. Stockholders who sell their shares of Common Stock before the Record Date (or acquire them without voting rights after the Record Date) may not vote such shares. Stockholders of record on the Record Date will retain their voting rights in connection with the Annual Meeting even if they sell such shares after the Record Date. Based on publicly available information, the Concerned Vaxart Stockholders believe that the only outstanding class of securities of the Company entitled to vote at the Annual Meeting is the Common Stock.

Shares of Common Stock represented by properly executed **GOLD** universal proxy cards will be voted at the Annual Meeting as marked and, in the absence of specific instructions, will be voted **“FOR”** the election of the Concerned Vaxart Stockholder Nominees and the Unopposed Company Nominees, **“FOR”** the ratification of the selection of WithumSmith+Brown, PC as the Company’s independent registered public accounting firm, and **“AGAINST”** the advisory non-binding vote to approve the compensation of the Company’s named executive officers.

The Concerned Vaxart Stockholders and Vaxart will each be using a universal proxy card for voting on the election of directors at the Annual Meeting, which will include the names of all nominees for election to the Board. Stockholders will have the ability to vote for up to six (6) nominees on the Concerned Vaxart Stockholders’ enclosed **GOLD** universal proxy card. Any stockholder who wishes to vote for any combination of the Company’s nominees and the Concerned Vaxart Stockholder Nominees may do so on the Concerned Vaxart Stockholders’ **GOLD** universal proxy card. **There is no need to use the Company’s white proxy card or voting instruction form, regardless of how you wish to vote.**

Stockholders are permitted to vote for fewer than six (6) nominees or for any combination (up to six (6) total) of the Concerned Vaxart Stockholder Nominees and the Company’s nominees on the **GOLD** universal proxy card. However, if stockholders choose to vote for any of the Company’s nominees, we recommend that stockholders vote in favor of only the Company’s nominees who we believe are most qualified to serve as directors – the Unopposed Company Nominees – to help achieve a Board composition that we believe is in the best interest of all stockholders. We recommend that stockholders do not vote for any of the Company’s nominees other than the Unopposed Company Nominees. Among other potential consequences, voting for Company nominees other than the Unopposed Company Nominees may result in the failure of one or more of the Concerned Vaxart Stockholder Nominees to be elected to the Board.

We believe that voting on the **GOLD** universal proxy card provides the best opportunity for stockholders to elect all of the Concerned Vaxart Stockholder Nominees and achieve the best Board composition overall. The Concerned Vaxart Stockholders therefore urge stockholders to use our **GOLD** universal proxy card to vote **“FOR”** the three (3) Concerned Vaxart Stockholder Nominees and **“FOR”** the three (3) Unopposed Company Nominees.

While we currently intend to vote all of the Concerned Vaxart Stockholder Group Shares in favor of the election of each of the Concerned Vaxart Stockholder Nominees and the Unopposed Company Nominees, we reserve the right to vote some or all of the Concerned Vaxart Stockholder Group Shares as we see fit, in order to achieve a Board composition that we believe is in the best interest of all stockholders. We would only intend to vote some or all of the Concerned Vaxart Stockholder Group Shares in a different manner than what we are otherwise recommending in the event it were to become apparent to us, based on the projected voting results at such time, that less than all of the Concerned Vaxart Stockholder Nominees would be elected at the Annual Meeting and that by voting the Concerned Vaxart Stockholder Group Shares in a different manner we could help achieve a Board composition that we believe is in the best interest of all stockholders. Stockholders should understand that all shares of Common Stock represented by the enclosed **GOLD** universal proxy card will be voted at the Annual Meeting as marked.

IF YOU MARK FEWER THAN SIX (6) “FOR” BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, OUR GOLD UNIVERSAL PROXY CARD, WHEN DULY EXECUTED, WILL BE VOTED ONLY AS DIRECTED. IF NO DIRECTION IS INDICATED WITH RESPECT TO HOW YOU WISH TO VOTE YOUR SHARES, THE PROXIES NAMED THEREIN WILL VOTE SUCH SHARES “FOR” THE THREE (3) CONCERNED VAXART STOCKHOLDER NOMINEES AND THE THREE (3) UNOPPOSED COMPANY NOMINEES. IMPORTANTLY, IF YOU MARK MORE THAN SIX (6) “FOR” BOXES WITH RESPECT TO THE ELECTION OF DIRECTORS, ALL OF YOUR VOTES FOR THE ELECTION OF DIRECTORS WILL BE DEEMED INVALID.

QUORUM; BROKER NON-VOTES; DISCRETIONARY VOTING

A quorum is the minimum number of shares that must be represented at a duly called meeting in person or by proxy in order to legally conduct business at the meeting. According to the Company's proxy statement, a quorum is present if stockholders holding at least one-third in voting power of the outstanding shares entitled to vote at a meeting are present at the meeting in person or represented by proxy.

If there are not sufficient shares present or represented by proxy at the Annual Meeting to constitute a quorum, then either the person presiding over the meeting or the holders of a majority in voting power of the shares of Common Stock entitled to vote at the meeting, present in person or represented by proxy, shall have the power to adjourn the meeting from time to time until a quorum is present or represented. Based on the number of shares of Common Stock outstanding on May 26, 2026, the Record Date, shares of Common Stock representing 242,044,838 votes must be present at the Annual Meeting, virtually or by proxy, to constitute a quorum. If you vote, including by Internet or proxy card, your shares voted will be counted towards the quorum for the Annual Meeting. Abstentions, withhold votes, and broker non-votes, if any, are counted as present for the purpose of determining a quorum.

If you are a beneficial owner, your broker will vote your shares pursuant to your instructions, and those shares will count in the determination of a quorum. A broker non-vote occurs when a broker holding shares for a beneficial owner has discretionary authority to vote on "routine" matters brought before a stockholder meeting, but the beneficial owner of the shares fails to provide the broker with specific instructions on how to vote on any "non-routine" matters brought to a vote at the stockholder meeting. Under the rules governing brokers' discretionary authority, if a stockholder receives proxy materials from or on behalf of both us and the Company, then brokers holding shares in such stockholder's account will not be permitted to exercise discretionary authority regarding any of the proposals to be voted on at the Annual Meeting, whether "routine" or not. As a result, there would be no broker non-votes by such brokers. In such case, if you do not submit any voting instructions to your broker, then your shares will not be counted in determining the outcome of any of the proposals at the Annual Meeting, nor will your shares be counted for purposes of determining whether a quorum exists. However, if you receive proxy materials only from the Company, then brokers will be entitled to vote your shares on "routine" matters without instructions from you. The only proposal that would be considered "routine" in such event is Proposal 2 (ratification of the selection of the Company's independent registered public accounting firm). A broker will not be entitled to vote your shares on any "non-routine" matters, absent instructions from you. We urge you to instruct your broker about how you wish your shares to be voted.

VOTES REQUIRED FOR APPROVAL

Election of Directors — According to the Company's proxy statement, for the election of directors, a plurality of the votes of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors is required to elect a director. This means that the six (6) nominees receiving the highest number of "For" votes from the holders of shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors will be elected. The Company has disclosed that withhold votes and broker non-votes, if any, will not affect the outcome of the vote on the election of a director.

Ratification of Appointment of Accounting Firm — According to the Company's proxy statement, to ratify the selection of WithumSmith+Brown, PC as the Company's independent registered public accounting firm for the year ending December 31, 2026, the proposal must be approved by a majority of the votes properly cast for or against such proposal. The Company has disclosed that abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

Advisory Vote on Executive Compensation — According to the Company's proxy statement, to approve, on a non-binding, advisory basis, the compensation of the Company's named executive officers, as disclosed in the Company's proxy statement, the proposal must be approved by a majority of the votes properly cast for or against such proposal. The Company has disclosed that abstentions and broker non-votes, if any, will have no effect on the outcome of this proposal.

Under applicable Delaware law, none of the holders of Common Stock is entitled to appraisal rights in connection with any matter to be acted on at the Annual Meeting. If you sign and submit your **GOLD** universal proxy card without specifying how you would like your shares voted, your shares will be voted in accordance with the Concerned Vaxart Stockholders' recommendations specified herein and in accordance with the discretion of the persons named on the **GOLD** universal proxy card with respect to any other matters that may be voted upon at the Annual Meeting.

REVOCAION OF PROXIES

Stockholders of the Company may revoke their proxies at any time prior to exercise by attending the Annual Meeting and voting virtually (although, attendance at the Annual Meeting will not in and of itself constitute revocation of a proxy) or by delivering a written notice of revocation. The delivery of a subsequently dated proxy which is properly completed will constitute a revocation of any earlier proxy. The revocation may be delivered either to the Concerned Vaxart Stockholders in care of Saratoga at the address set forth on the back cover of this Proxy Statement or to the Company at 170 Harbor Way, Suite 300, South San Francisco, California 94080 or any other address provided by the Company. Although a revocation is effective if delivered to the Company, we request that either the original or photostatic copies of all revocations be mailed to the Concerned Vaxart Stockholders in care of Saratoga at the address set forth on the back cover of this Proxy Statement so that we will be aware of all revocations and can more accurately determine if and when proxies have been received from the holders of record on the Record Date of a majority of the shares entitled to be voted at the Annual Meeting. Additionally, Saratoga may use this information to contact stockholders who have revoked their proxies in order to solicit later dated proxies for the election of the Concerned Vaxart Stockholder Nominees.

**IF YOU WISH TO VOTE FOR THE ELECTION OF THE CONCERNED VAXART STOCKHOLDER NOMINEES TO THE BOARD,
PLEASE SIGN, DATE AND RETURN PROMPTLY THE ENCLOSED GOLD UNIVERSAL PROXY CARD IN THE POSTAGE-PAID
ENVELOPE PROVIDED.**

SOLICITATION OF PROXIES

The solicitation of proxies pursuant to this Proxy Statement is being made by the Concerned Vaxart Stockholders. Proxies may be solicited by mail, facsimile, telephone, Internet, in person and by advertisements.

The Concerned Vaxart Stockholders have entered into an agreement with Saratoga for solicitation and advisory services in connection with this solicitation, for which Saratoga will receive a fee not to exceed \$75,000, together with reimbursement for its reasonable out-of-pocket expenses, and will be indemnified against certain liabilities and expenses, including certain liabilities under the federal securities laws. Saratoga will solicit proxies from individuals, brokers, banks, bank nominees and other institutional holders. The Concerned Vaxart Stockholders have requested banks, brokerage houses and other custodians, nominees and fiduciaries to forward all solicitation materials to the beneficial owners of the shares of Common Stock they hold of record. The Concerned Vaxart Stockholders will reimburse these record holders for their reasonable out-of-pocket expenses in so doing. In addition, members of the Concerned Vaxart Stockholders may solicit proxies without any additional compensation. The Concerned Vaxart Stockholder Nominees may make solicitations of proxies but, except as described herein, will not receive compensation for acting as director nominees. It is anticipated that Saratoga will employ approximately 15 persons to solicit stockholders for the Annual Meeting.

The entire expense of soliciting proxies is being borne by the Concerned Vaxart Stockholders. Costs of this solicitation of proxies are currently estimated to be approximately \$850,000 (including, but not limited to, fees for attorneys, solicitors and other advisors, and other costs incidental to the solicitation). The Concerned Vaxart Stockholders estimate that through the date hereof their expenses in connection with this solicitation are approximately \$475,000. To the extent legally permissible, if the Concerned Vaxart Stockholders are successful in their proxy solicitation, the Concerned Vaxart Stockholders intend to seek reimbursement from the Company for the expenses they incur in connection with this solicitation. The Concerned Vaxart Stockholders do not intend to submit the question of such reimbursement to a vote of security holders of the Company.

You are also advised to review the Bylaws, which contain a description of the information required to be submitted with notices of any such proposal or nomination as well as additional requirements about advance notice of stockholder proposals and director nominations.

In addition to satisfying the foregoing requirements under the Bylaws, to comply with the universal proxy rules, stockholders who intend to solicit proxies in support of director nominees other than the Company's nominees must provide notice that sets forth the information required by Rule 14a-19 under the Exchange Act, which notice must be postmarked or transmitted electronically to the Company at the Company's principal executive offices no later than 60 calendar days prior to the first anniversary date of this year's annual meeting.
